THE NEEDLE WON'T COME OUT!!

IT WON'T COME OUT!

TH...

ENTANGLED TO MY BODY...

THE THREAD'S ..

For once, I'm glad.

WHAT IS THIS?!

WHA AAT IS THIS SSS?!!

WH--

the more you would've continued to be entangled.

then the more you kept on moving,

So now,

...you didn't realize you were entangled by the thread,

If for just one moment...

run away,

You can't take out the needle,

or even squirm about freely.

...and you're under my complete control

You're captured ...

This is an arachnid's ...

.....

From that time?

No...

Or that time?

... count-less thre-ads?

These

Since when did she set this up?

My consciousness is getting hazy.

It's no use!

...and I'm not gathering my thoughts!

Ai--

should I do...?

...from the beginning?

Perhaps it was...

Forgive me...

Already...

Don't kill me...

PLEASE!

I see!

.....

...wanted some friends...

I--

I just...

Besides the fact that you haven't had any real fighting experience,

you look like you're even weak against pain,huh?

was an ordinary brat.

The one who got thrown out of the Frozen World ...

If she promises not to cause any further injuries from here on out...

Killing her would probably be pitiful.

I don't think she is my enemy

This person is probably just a pawn.

.....

Eh--

She'll come for us

Don't be careless.

Hmph.

So you let her get away

I'm sorry

I told you not to be careless, didn't I?

She took advantage of your momentary carelessness!

When your concentration was interrupted, your hold became weak

But...

I was in a dangerous spot...

Anymore and I wouldn't have been able to fight.

I'm glad she could get away.

...took a considerable amount of time!

I'm pretty tough despite my looks!

Still, even for me getting used to that poison...

You look composed though.

Is that so?

is pa.nful

even standing ...

But the truth is,

If that's how you see me, that's great.

ARE YOU OKA--

HEY! YOU..!

Wai...

Eh--

!?

So it wasn't just Dinopo-nera...

This girl...

The triangular web trap and consequently the manipulation of the enemy and herself...

herself?

The eyes of...

This girl...

Just how many layers in the web are you manipulating...?

Using only the movement of her fingertips?

The arrangement to ensnare them...

Or maybe, even now..

...with some kind of trap.

She's prepared for my [illegible]

Well, I mostly heardabout you from Kumo, but...

Hmph.

Were you really...

We--

... entrusted by Kumo-san..?

You're even more of a monster than I heard, aren't 'cha?

let's get out of here quickly

For now,

Leave the reminiscent talk for later

Sound good?

Hm?

Everything here's ไม่มีทาง!

ไม่มีทาง!

This is a disgusting country

Is that so?

...Isn't this totally wrong?

I heard that the Japanese are modest people, but...

Who's there?

...dislike it being like this, though.

I don't quite...

Nice to meet you!
